

KENTUCKY FIRE DEPARTMENT CONTROLLED BURN WORKSHOP

HIGHLIGHTING:

Controlled Burn Terminology Implementation
Fire Behavior Factors Controlled Burn Planning

Kentucky Prescribed Fire Council's Mission is to promote understanding and enhance collaboration for the use of ecologically based prescribed fire in the Commonwealth of Kentucky

To do this we want to build community and local capacity to reduce hazardous fuels and improve habitat areas while reducing wildfire risk and increasing prescribed fire capacity in high-risk areas

FREE TO STRUCTURE FIRE FIGHTERS
LUNCH PROVIDED

WWW.KYFIRE.ORG
